OLD HOUSE!

TEIGNMOUTH CLOSE

It was time to move on. We did a lot to Teignmouth to sell the house though:

- Painted the bathroom
- Painted the outside of the house
- Painted the hall, stairs and landing
- Painted the red wall in the lounge beige
- Painted & dressed the downstairs room as a bedroom
- Tidied up the front and rear gardens
- Replaced the main drain inspection cover

The house had never looked so good. It went on the market in April and we moved in August.

NEW HOUSE!

KNOSSINGTON

We've moved to a semi-detached, ex-council house in a little village in the countryside.

- Painted the study (from purple and yellow to calm blue)
- Painted the kitchen (from yellow to white)
- Put up cupboards in the kitchen
- Fixed boiler, cooker, washing machine and dishwasher
- Bought (and replaced) a fridge freezer
- Learnt how to make real fires
- Bought and assembled lots of Ikea furniture

Knossington is really quiet, much of the 'traffic' you get during the day are horses! We have fantastic views over fields at the front. The neighbours have been really friendly and helpful. There are still plenty of jobs to do here though.

OTHER STUFF

There has been good stuff and bad stuff happen this year. Here are just some of them:

Good Stuff

- ✓ Lez doing yet more OUI courses (photography and french)
- ✓ Visited 4 gardens in June
- ✓ Lez played in two concerts
- ✓ Lez has a new computer screen
- ✓ Had a long weekend in Oxford
- ✓ Had a week in Pevensey (Sussex)
- ✓ Went to see Lord of the Rings musical in London
- ✓ Found out Gates Garden Centre is just up the road from Knossington
- ✓ Trying to be green—we're now composting
- ✓ Garden shed in the front garden
- ✓ Went to a wedding—Ruth (Andrew's cousin) and Chris
- ✓ We're on Facebook (computer thing)
- ✓ A cat flap means that we don't have to keep getting up to open the door

Bad Stuff

- * Wet, cold summer
- * Lez lost her mobile phone, we had to buy another one
- * Andrew's workplace has relocated to an industrial estate
- * Andrew has no computer facilities at his work (after several months)
- * Hand-sawing up wood for the fire—an electric jigsaw has helped
- * No post office, take away or shop in the village
- * Removing the fish from the front ponds—a neighbour helped us (over two days) to empty the ponds and move the fish
- * Andrew had to cancel his OUI Course due to the house move—but he has started it again
- * The cats have been having fun catching shrews—not much fun for us when they bring them into the house still alive!

We hope to have an Open House / Garden Party next year. Do let us know if you would like to come and visit us. We'd love to see you. You can contact us by email at sideways@tesco.net

Hope you have a lovely Christmas and a great New Year
